

## EVENING BULLETIN.

Published Every Day, except Sunday, at 200 King street, Honolulu, H. I., by the

BULLETIN PUBLISHING COMPANY.

W. R. FARRINGTON, Editor.

DANIEL LOGAN, City Editor.

TUESDAY, MAY 23, 1899.

Admiral Dewey is a pretty good fellow, but it will take the western States a long while to get over his decision to go home by way of Suva.

Rear Admiral Watson is brave in more ways than one. It is not everyone who would have the courage to tackle the task of filling Dewey's shoes.

Marshal Brown's new street order has not been conducive to a popular appreciation of the amount of common sense possessed by the police patrol.

France has demanded from China an indemnity of 1,200,000 taels for injury done a French missionary. The anti-missionary people of the world will doubtless quote this as an instance that missionaries are always out for money.

Mr. Grant of Hilo returning from a short trip to Washington informs the public that Hawaii will be a colony and Mr. Sewall governor. This is rapid political transit with a vengeance. Any man who after a few days in Washington can "call the turn" on the future with such assurance is worthy a position in the Hawaiian Cabinet.

Aguinaldo is defeated, he is on the run, his forces are disintegrated and peace seems near. Such are the reports from the Philippines but still the fighting continues and more troops are to be forwarded to the archipelago to take the place of the volunteers who are to be withdrawn. The best thing the American people can do is to settle down to the fact that the end of the rebellion is not in sight this season.

## BRITISH OFFICERS ARRESTED.

Pretoria, Transvaal Republic, May 16.—The arrest at Johannesburg early this morning of seven alleged former British officers named Nicholls, Patterson, Tremlett, Ellis, Freiss, Hooper and Mitchell, on the charge of high treason, has caused intense excitement here.

The prisoners were brought to Pretoria by special train. After they had been lodged in jail they were visited by the British diplomatic agent here.

The arrests were effected by a detective who joined the movement which it is asserted, was for the purpose of enrolling men in order to cause an outbreak of rebellion.

Incriminating documents were found on the prisoners and it is expected that further arrests will be made.

## Tennis Singles Closing.

There now remain but four players in the men's singles in the tennis tournament. These are the winners in the contests of yesterday. By this afternoon's contests will be decided the two who are to play for the championship in singles tomorrow. The winners yesterday afternoon were as follows: F. C. Atherton from A Waterhouse, 6-1, 7-5; Chas. Elston from Geo. Waterhouse, 6-2, 6-4; E. R. Adams from S. G. Wilder, 6-4, 6-0; C. H. Cooke from D. Howard Hitchcock, 8-6, 6-3. This afternoon's matches on the courts of the Pacific Tennis club will be as follows: Frank Atherton vs C. H. Cooke at 4 p. m. and E. R. Adams vs C. H. Elston at 5 p. m.

## Had Bad Weather.

The bark Diamond Head from this port did not arrive in San Francisco until the afternoon of the 15th inst. It took her just 85 days to make the trip. She would have reached San Francisco in the average length of time, but for the fact that, during the last nine days, she encountered a succession of heavy northwesterly gales which retarded considerably the progress of the vessel.

## FOR THE NEW BATTLESHIPS

New York, May 16.—A special to the Herald from Washington says: Naval officials have every reason to believe that the Carnegie Steel Company and the Bethlehem Iron Company will not be the only bidders for contracts for armor for armored vessels under construction and authorized. The Midvale Steel Co. has sent one of its officials to England to look in to the subject of armor plate manufacture and will probably submit proposals.

Capt. A. S. Barker, who will temporarily command the Asiatic station will, when relieved by Admiral Watson, return home by mail steamer. The Boston will come home under the command of Capt. W. H. Whiting.

The battleship Kearsarge is ninety percent completed and the Kentucky 88 percent. It is understood these vessels will be turned over to the Government about January 1st. The battleship Alabama is 82 percent, the Illinois 65 percent and the Wisconsin 67 percent completed.

## GENERAL NEWS NOTES.

Washington, May 8.—Brigadier General Bates, under orders to report to General Otis for duty in the Philippines, left here this afternoon for San Francisco.

Chicago, May 8.—General T. M. Anderson, recently assigned to Chicago as commander of the Department of the Lakes, arrived today from San Francisco.

Ex Governor Roswell P. Flower of New York, is dead.

C. S. Bradford, formerly in Honolulu, is now in San Francisco just returned from Manila. He says that the German Prince Ludwig von Lowenstein was shot by the Oregon troops, being regarded as a spy.

Charleston, S. C., May 15.—The cruiser Raleigh, Captain Coghlan, sailed at noon today for Portsmouth, where she goes out of commission. She will be thoroughly overhauled and remodeled.

London, May 16.—Special dispatches from Vienna say it is reported there that Count Badini, the former Prime Minister of Austria, recently tried to commit suicide on account of losses sustained on the race course.

New York, May 16.—Columbia University will give the honorary degree of LL.D. to Carl Schurz, on commencement day. He has already received this degree from Harvard University and from the University of Missouri.

New York, May 16.—Howard F. Sprague, an artist whose pictures of marine and naval life in a monthly magazine have attracted considerable attention, died suddenly in this city of consumption, aged 30 years.

## WERE CONTRACT LABORERS.

San Francisco, May 12.—The special board of inquiry met in Commissioner North's office yesterday morning to consider the case of ten Filipino immigrants of both sexes on their way to New York to take part in the representation of a Philippine village as actors. It appeared from the statements made by the applicants that they had been engaged in their native country as cooks and servants, but that they had occasionally sung Spanish songs between cigarette whiffs at cockfights receiving cigars and drinks as their reward.

As they produced no evidence to show that they had ever been pelted with rotten eggs the board of inquiry was unanimously of the opinion that they were not even aside actors, and decided that they were contract laborers and therefore not entitled to land.

On the day the City of Peking left San Francisco, the Filipinos were landed and sent into quarantine along with the Chinese and Japanese, pending a decision in the matter from Washington.

## New Schooner Launched.

The schooner Robert R. Hind was launched on the 13th from Hay & Wright's shipyard, Alameda. The Hind was built for Hind, Ralph & Co. of San Francisco. She has four masts and has the same lines as the schooner Muriel that has been running to these islands for some time past.

T. F. Lansing of Gear, Lansing & Co. left in the Kinau to have a look over the firm's recent purchase—the Young Hee ranch on Maui. Mr. Lansing will be absent about ten days.

## SALES REPORTED

## Maud Muller.

The well known character in Whittier's poem, would never have been known to fame if she had not been "out in the meadow raking hay." History is forever repeating itself and it is possible that in some of the Hawaiian poems, to come, there will be a word painting of an Hawaiian Maud Muller, "lithe of form, with smiling face," the central figure of one of Honolulu's residence lawns with hat thrown carelessly back, the heroine properly posed and resting upon the California Clipper lawn mower sold only by the Pacific Cycle & Mfg. Co. on Fort street. The carefully kept lawn, like a carpet of verdure spread, is always a fitting frame to a loved home and indicates both taste and industry. The California Clipper lawn mower is strongly built, easily run and sold cheaply. It is like the electric bell to this extent that it has no pull, but it gets there "all the same," by push; and the more it is pushed, the mower it works, although one may not be the mower, but the California Clipper is.

## Sherman Again Arrested.

E. A. Sherman whose case was nolle pro'd in the police court yesterday morning, was again arrested by Deputy Marshal Chillingworth this morning. Sherman was caught on a street car. The charge against him is vagrancy by obtaining money under false pretenses. Three officers were on the watch for Sherman at the China last night. After the arrest this morning, he was allowed to go out in the custody of an officer to look up bail in the amount of \$500.
